First, there were ten—a curious assortment of strangers summoned as weekend guests to a little private island off the coast of Devon. Their host, an eccentric millionaire unknown to all of them, is nowhere to be found. All that the guests have in common is a wicked past they're unwilling to reveal—and a secret that will seal their fate.

Christie collection, and Ohmygod guess what? Agatha Christie was a huge racist! I sort of knew this already. There are the obvious things (for example, her famous novel Ten Little Indians was originally published as Ten Little Niggers). But then there is the current of bigotry throughout almost all of her other work.
