CHAPTER ONE Health Communication AND Death Studies
TERESA THOMPSON As one of the newer areas of study within the field of communication, the topic that has come to be known as health communication has already made important contributions to our understanding of the dying process, to the care accompanying dying, and, to a lesser degree, to grieving and bereavement (see Toller, this volume). All of these issues are addressed separately within the various chapters included within this volume ...

1. If communication can fail, it will. 2. If a message can be understood in different ways, it will be understood in just the way that does most harm. 3. There is always somebody who knows better than you what you meant by your message. 4. The more communication there is, the more difficult it is for communication to succeed. (pg20)

Communications - Chapter 1 Flashcards | Quizlet

At the beginning of Chapter 1, Postman traces out the main shape of the argument he will present in his book. Postman suggests that different American cities have served as the primary metaphor for the U.S. at different times in its history. At one point, Boston was central for its revolutionary significance.
