It was a milk curdling scene. Our 20-year old refrigerator quietly passed away one night. On the floor, a pool of melted water stood testimony to its incontinence. Its silence—testimony to its demise. The repairman revived it. Extreme times call for extreme measures. But, with no parts available “anywhere in the United States,” the prognosis

Death in the Kitchen 4 Shinaro Erotica 0 It was a cold Saturday and for the first time in a long time, I found myself praising God, telling him how wonderful he was, how precious he was, how sweet he was.

Death in the Kitchen 4 | Orostones

The death of my microwave has me contemplating whether or not it should be replaced. Do I really need a big bulky box taking up space on my counter top? I do like the ability to quickly heat something up or to quickly defrost meat when I haven't properly planned for dinner or reheat my day old coffee in the mornings (haters gonna hate).

Death in the kitchen. Or should I replace my microwave?

Accidental death due to an allergic reaction to the spice Tarragon in something he ate is the initial ruling. However his
