### Easy Guide To Writing

Creative writing is any form of writing which is written with the creativity of mind: fiction writing, poetry writing, creative nonfiction writing and more. The purpose is to express something, whether it be feelings, thoughts, or emotions. Rather than only giving information or inciting the reader to make an action beneficial to the writer, creative writing is written to entertain or educate ...

Good writing is always about something. Write the argument of your book in a sentence, then stretch that out to a paragraph, and then to a one-page outline. After that, write a table of contents to help guide you as you write, then break each chapter into a few sections. Think of your book in terms of beginning, middle, and end.
