Engine Fault Repair Needed Peugeot

Illuminated Peugeot check engine light means that there is a malfunction of the engine or emission system. This problem is often caused by a faulty spark plug, ignition coil, mass airflow sensor, oxygen sensor, or a loose gas cap. In addition to the Peugeot check engine light staying on, on newer models, you will get Engine management system fault message displays on the dashboard.

Peugeot Check Engine Light Stays On | Engine System Faulty ...

Measure the battery volts with the engine stopped and then running. It should increase by at least 1.5V. If not, check that the belt is turning the alternator (it may have broken). If that's ok, get the alternator tested - it may need replacement.

Engine fault repair needed | Peugeot Forums

I have read this with extreme interest. I am a proud owner of a RcZ and I have had very similar experiences of the ENGINE FAULT REPAIR NEEDED LIGHT. On my first visit to the dealer they stated it was a sensor that required cleaning. This was done and within two weeks, after medium acceleration the same fault reoccurred.

"ENGINE FAULT REPAIR NEEDED" | Page 2 | Peugeot RCZ Forum

It finally happened to my RCZ, the check engine light came up: "Engine fault: repair needed". Since this is a pretty generic fault message, let's have a look...

Engine fault: repair needed - the recirculation valve ...

My son has a Peugeot 208, 1.2 active. When he bought it the guy said keep the oil topped up. My son does very low mileage so didn't really take much notice. After a few months of tootling around the Engine warning light came on with Repair Needed. It went into limp mode and wouldn't rev or go over about 10mph. We checked the oil and it was on ...

Engine Fault Warning Message | Peugeot 208 Forums

I purchased a 2014 Peugeot 208 last week, currently has 39000 miles on clock. Since the weekend the Engine warning light has been coming on and off, along with a message on the screen saying "engine fault repair required". The car goes sluggish when this happens.

Engine Fault Repair required | Peugeot 208 Forums

Driving home xmas eve in my Peugeot 308 the following the following - warning: engine fault repair needed. Its 2012 but i will have it 2 years in May. So far i have had to replace the 4 engine filter at a cost of 2000. The oil level is fine. The Peugeot garage is closed over xmas. I am back in work in a few days.

Engine Peugeot - warning: engine fault repair needed ...

The first thing would be to get a diagnosis of what faults are occurring, if temp gauge is changing it mind then probably a sensor fault but there are many sensors. The last post suggests plugging on the Peugeot Planet system or PP2000. If you don't have access to diagnosis equipment the find a local independent Peugeot specialist garage or Citroen.

"ENGINE FAULT REPAIR NEEDED" | Page 14 | Peugeot RCZ Forum

After I the finding out that the recirculation valve wasn't the cause of the engine fault message, I had to dig a bit deeper and took out my diagnostic tool ...

Engine fault: repair needed - the oxygen sensor & bad fuel ...

More specifically "Engine fault: repair needed". In case this happens to your RCZ or Peugeot in general or Citroën or even to your luxurious DS, it can mean many things – it's basically a very general fault code for your engine. However, it doesn't always mean that the fault origin is to be found in the engine.

Engine fault: repair needed - the recirculation valve ...

Auto: 2011 508 SW 2,0 HDi 163 FAP. Eilen kun piti lähteä autolla ajamaan niin laitoin webaston päälle. Kun olin lähdössä liikenteeseen autossa oli Economy mode aktivoitunut ja auto herjasi "Engine fault - repair needed", avainta kääntäessä naksutti eikä lähtenyt käyntiin.

508 - Ilmoitus "Engine fault - repair needed"

Peugeot 508 check engine warning light. If this engine symbol is illuminated on the dashboard of your Peugeot you should limit your driving and have the problem diagnosed as soon as possible. The most likely cause is a faulty sensor such as a MAF, camshaft, crankshaft, O2 sensor or ignition coil.
