Many Healthcare Workers Need to Know English

In many cases—such as on health-related U.S. government websites—health care is the noun (e.g., “your health care is important”) and healthcare is the adjective (e.g., “find a healthcare professional”), but this is not consistently borne out, and both forms are widely used both ways. Many publications and websites seem to have no policy on this at all.

Healthcare vs. health care - Correct Spelling - Grammarist

Nearly nine percent of all American residents—that’s more than 25 million people nationally—acknowledge speaking English “less than very well,” and more than 60 million residents regularly speak a language other than English at home. 1 The current demand for bilingual health professionals is one of the highest across all sectors: registered nurses, medical assistants, medical and health services managers, licensed practical and vocational nurses, and medical secretaries, taken ...
