English Grammar And Composition By

This is, hands down, the most complete reference on English grammar and composition that I have ever seen. I have used it since high school, and both of my daughters used it when they were in high school. One of its most useful features is the section on diagramming sentences, a lost art. There are new frontiers that anyone writing a ...

English grammar and composition are an essential part of learning the global language. In fact, not just English, but every other language in the world demands its grammar to be thoroughly understood if you want to excel in using it. While spoken English comes easy to many, it is the grammatical portion, where they may tumble.
