### Ford Mondeo All Models Factory

The Ford Mondeo is a large family car manufactured by Ford since 1993. The first Ford declared a "world car", the Mondeo was intended to consolidate several Ford model lines worldwide. The Mondeo nameplate is derived from Latin mundus, meaning "world". For its first two generations, the Ford Mondeo was produced using the Ford CDW27 platform, with the third generation shifting to the EUCD platform. The fourth generation uses the Ford CD4 platform.

### Ford Mondeo - Wikipedia

The following is a list of current and former facilities of Ford Motor Company for manufacturing automobiles and other components. Per regulations, the factory is encoded into each vehicle's VIN as character 11 for North American models, and character 8 for European models.. For a listing of Ford's proving grounds and test facilities see Ford Proving Grounds

The Ford Mondeo I (first generation) is a mid-size car that was produced by Ford, beginning on 23 November 1992, with sales beginning on 22 March 1993.It is also known as the Mk I Mondeo; the 1996 facelift versions are usually designated Mk II. Available as a four-door saloon, a five-door hatchback, and a five-door estate, all models for the European market were produced at Ford's plant in the ...

### Ford Mondeo (first generation) - Wikipedia

The Ford Mondeo MK II (second generation) model was launched by Ford in October 2000. This Mondeo was considerably larger than its predecessor, and although Ford abandoned its New Edge design theme for the second generation, it was their first vehicle to fully benefit from the Prodigy concept car. This gave it an overall effect which many critics felt was more restrained and mature, if much ...

For 1993, Ford introduced a standard driver's airbag on all production models, with many cars also coming with a passenger's airbag as either standard or optional equipment. February 1993 saw Ford launch a ground-breaking new family car in the shape of the Mondeo - replacement for the Sierra made to rival the newer Opel Vectra / Vauxhall ...

### Ford of Europe - Wikipedia

The new Ford Mondeo is set to build on the model's established reputation as a stylish, versatile and great-to-drive vehicle, and for offering high levels of driving enjoyment and comfort to its occupants. Central to this is the application of a fresh look for all three body styles, four-door, five-door and wagon, to distinguish the new model. Ford's design team set out to emphasise further the kinetic design signatures in each body style while incorporating new technologies such as LED ...
