Free to Learn: Why Unleashing the Instinct to Play Will ...

A leading expert in childhood development makes the case for why self-directed learning — "unschooling" — is the best way to get kids to learn. In Free to Learn, developmental psychologist Peter Gray argues that in order to foster children who will thrive in today's constantly changing world, we must entrust them to steer their own learning and development. Drawing on evidence from anthropology, psychology, and history, he demonstrates that free play is the primary means by which ...

In Free to Learn, developmental psychologist Peter Gray argues that our children, if free to pursue their own interests through play, will not only learn all they need to know, but will do so with energy and passion.

Buy Free to Learn: Why Unleashing the Instinct to Play ...

He is also author of Free to Learn: Why Unleashing the Instinct to Play Will Make Our Children Happier, More Self-Reliant, and Better Students for Life, and he writes a popular blog for Psychology Today magazine entitled "Freedom to Learn".

Peter Gray (psychologist) - Wikipedia

A brave, counterintuitive proposal for freeing our children from the shackles of the curiosity-killing institution we call school, Free to Learn suggests that it's time to stop asking what's wrong with our children, and start asking what's wrong with the system.
