fantasy predecessor Harley Merlin and the Secret Coven. If you haven't read the first book in the series, don't worry.

## **Harley Merlin and the Mystery Twins by Bella Forrest**

Harley Merlin can sense people's emotions, among other things. It's how she snagged her first job pinpointing cheaters at a casino. But she has no clue where she got these freakish powers because she spent her childhood jumping from home to home in the foster system, and her father left her with nothing more than a cryptic note.

Harley Merlin 16 Finch Merlin and the Blood Tie This is another winner. I love this series and this author writes wonderful storylines and the characters are great and you want to keep reading to see what they are doing. I highly recommend all her books and different series to everyone who loves witches , and paranormal characters in your books.
