Inferences Worksheet 5 Here is another inference worksheet to get those gears grinding. This one has four reading passages and ten problems. Students read the passages, answers the inferential questions, and use text to support their answers.

Inferences Worksheet 5 | Reading Activity

In each inference worksheet students are asked to do two things: answer questions where the solutions can only be provided by making logical inferences, and explain how they got their answers. Having students explain their answers helps to slow them down and cause them think about what they are doing, and open-ended questions make it easier for the teacher to identify when students are copying.
