The simplest definition of mosaic art is an image or design constructed from small pieces of coloured glass, stone, or other materials. This ancient art form dates back to around 600BC and has been practised ever since. Fancy making your own? We've got a brilliant selection of collage makers to help get you started.

### 12 stunning examples of mosaic art | Creative Blog

Mosaic, in art, decoration of a surface with designs made up of closely set, usually variously coloured, small pieces of material such as stone, mineral, glass, tile, or shell. Unlike inlay, in which the pieces to be applied are set into a surface that has been hollowed out to receive the design, mosaic pieces are applied onto a surface that has been prepared with an adhesive.

### Mosaic | art | Britannica

Certain design styles, such as Gothic Revival and Art Nouveau provided new designs and uses for the art form. Today, mosaic remains a popular craft around the world, promoted by organisations like the British Association for Modern Mosaic (BAMM) and The Society of American Mosaic Artists (SAMA), and available as a subject in some of the best ...

The beautiful images in this book show the full potential that mosaic works can be. As a beginner to mosaic art I found the pieces in this book to be a bit intimidating, but I also got some great ideas to use in my own work. This book did a great job at showing how mosaic work can be used to spice up any area in everyday spaces.
