Although life and business have many lessons to teach us, Dr. Cloud observed 10 “doorways” of learning that high performers go through, never to return again. Successful people never again... 1. Return to what hasn't worked. Whether a job, or a broken relationship that was ended for a good reason, we should never go back to the same thing, expecting different results, without something being different. 2. Do anything that requires them to be someone they are not.
