Paper Airplane Science for Kids. March 21, 2017. Making paper airplanes is one of the most fun activities in our homeschool. And, it is an activity where there is a TON of learning taking place, so the fun is an extra bonus! It ranks right up there with the day we made magnetic slime! I'm not exactly sure what it is about folding a piece of paper and letting it fly across the room that is so enticing (especially to the boys!), but I do know that capitalizing on this is something that must be ...
