APS Romania o companie Subor. este prezenta pe piata romaneasca din anul 2002 devenind unul din principalii furnizori de sisteme de conducte, fitinguri si accesorii destinate retelelor edilitare si industriale.

APS Romania
Over the years, Amiantit became Flowtite’s biggest customer. Ever since, GRP pipes have enjoyed huge success in the Middle East, where dozens of CW machines are in operation. At the turn of the century, the Amiantit Group acquired Flowtite Technology and Owens Corning’s pipe factories including its licenses in Europe and around the world.

About Us - Flowtite
Amiantit operates 24 hours a day so the migration needed to be meticulously planned in order to cause minimal disruption. Amiantit works with VMware. To make the migration swift, Penev started by creating a new virtual machine (VM) and installing iScala 3.0. Using the new VM as a test server, Penev then checked that all of Amiantit's existing ...
