### Peasants Political Police And The

'Peasants, Political Police, and the Early Soviet State focuses on Cheka/OGPU reports from the countryside, specifically how agents assessed the peasants' mood, and the sources of peasants' discontent and satisfaction.

### Peasants, Political Police, and the Early Soviet State ...

Likewise the political police was just one link between peasants and the state in the 1920s. Information about other official organs, including local governments, courts, youth organizations (such as the Komsomol), and party cells, would further complicate the picture of a dynamic peasant-state relationship.

And the government repeatedly turned to some form of police in an effort to break through the wall of incomprehension. To fathom the problems the Bolsheviks confronted in obtaining information about and influencing rural society via the political police, we need to appreciate the prior efforts at policing in Russia, and especially how those efforts related, or more accurately, failed to relate, to the peasantry.
