Rhetorical Grammar Kolln

Rhetorical Grammar encourages writers to recognize and use the grammatical and stylistic choices available to them, and to understand the effects of those choices on their readers. Kolin and Gray ask readers to regard sentence structure as a toolkit – and its application an artful way to elicit a desired emotion or reaction – rather than a list of tedious rules to remember.

Rhetorical Grammar is a writer's grammar - a text that presents grammar as a rhetorical tool, avoiding the do's and don'ts so long associated with the study of grammar. It reveals to student writers the system of grammar that they know subconsciously and encourages them to use that knowledge to understand their choices as writers and the effects of those choices on their readers.

Kolln and Gray make grammar relevant, almost interesting!--by returning it to its rhetorical context: how, when, and why we use words to communicate. The text starts off gently, introducing us to the concept of breaking sentences into subjects and predicates and going on from there (goodbye, old rules! hello, improved understanding!).
