### Digital Home Theater System - Original Samsung Parts ...

I originally purchased the Samsung Electronics HT-D550 Home Theater System for my Samsung UN65D8000 65-inch 1080p 240Hz 3D LED HDTV. The HT-D550 front speakers were at best mediocre and the center and surround sound did not work. I called Amazon to return the home theater system and then purchased this unit which was delivered the next day.
